MATLAB®
&SIMULINK®

Simulink – The Value of Simulations
27.10.2020, 14:00 – 16:00, WebEx

In this online workshop you will:
- ➢ **Learn how to access MATLAB/Simulink at THM**
- ➢ **Learn from concept to code how to model and simulate your system under risky/time-consuming conditions**
- ➢ **Go through a hands-on introduction to creating, editing, and simulating models in Simulink**

>> Register:

www.mathworks.com/simulink/thm

No installations required.
Basic MATLAB knowledge recommended. Build your MATLAB skills online using our self-paced courses (free access through the campus-wide license at THM).
