

**Name of programme:** International Semester Information Technology / System Engineering

<b>Title of Module</b>	<b>Business English</b>
Responsible person	Prof. Dr. Ansgar Kern
Teacher	professional Language Lecturers
Module Code	E2F214
Type of Module	<input type="radio"/> obligatory module (Pflichtmodul), <input type="checkbox"/> elective module (Wahlpflichtmodul)
Level (BA / MA)	Bachelor
Language	English
Related Degree Programme/s	General Electrical Engineering, Communications Engineering and Computer Networks
Department	IEM
Location	<input type="radio"/> Gießen, <input type="checkbox"/> Friedberg
Availability/frequency of module	<input type="radio"/> every semester, <input type="radio"/> annually in the Winter Semester, <input type="checkbox"/> annually in the Summer Semester,
Hours per Week / Workload	2 HpW, contact hours per week 60 H in total
Number of CrP/ECTS	2 ECTS/CrP
Forms of instruction	<input type="radio"/> lecture <input type="checkbox"/> seminar <input type="radio"/> supervised training <input type="radio"/> Laboratory Practical Course
