

HYGIENE RULES AT THM

Keep 1.5m
distance

Thoroughly
wash hands

Disinfect
hands

Turn away from
other when cough-
ing and sneezing

Keep your hands
away from your face

ATTENTION 3G-Mandatory!

As of now, it is mandatory to wear a medical mask (FFP2 mask, KN95 mask or certified surgical mask) on all circulation and encounter areas in the THM buildings until you reach your own workplace. It is recommended to wear FFP2 masks as they offer the best protection.

The obligation to wear a mask also applies when entering and staying in other people's offices and rooms.

NOTE: If applicable, there is also an obligation to wear the mask at the course in supplementary regulations.

At classroom events, the wearing of a medical mask (FFP2 mask, KN95 mask or certified surgical mask) is mandatory for the optimal protection of students and staff protection of students and staff during the **classroom events**.

If you have any symptoms of illness such as fever or cough, please stay at home and contact your doctor by phone.
